

Angel Heart of Hope Ministry

John 3:16

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

2025 ANNUAL SPONSORSHIP PACKET

On January 16, 2016, at the age of 12, Bella was diagnosed with osteosarcoma, a rare bone cancer. It is every parent's worst nightmare hearing the words, "Your child has cancer or a life-threatening illness." Despite all of her daily suffering with the extremely aggressive cancer and numerous physical challenges, Bella gave it all to God. With a smile and unwavering faith, Bella inspired people of all ages, religions, and cultures.

Bella created Angel Heart of Hope Ministry from a hospital bed during her cancer treatment. She was deeply impacted by her gift to see angels plus the comforting angel drawn by nurse Pam on her pillowcase prior to surgery. It was Bella's WISH to help children with life-threatening illnesses and give them hope by spreading God's love through gifts and the gospel. Bella left a legacy for all of us to share God's love with each other by her example of serving others.

Our mission is to give HOPE to all children with life threatening illnesses through our gifts of love. This includes our gifts, scholarship/education, pediatric cancer cure research and financial assistance programs.

The HEART of this ministry entails programs only made possible through the generous support of our community: businesses, friends, churches, organizations and volunteers.
